

# Is This the Way to Cross the Street?

Neil Sedaka

Sha, la, la, la, la, la, la, la

Sha, la, la, la, la, la, la, la

Sha, la, la, la, la, la, la, la

Just obey the safety rules This is the way to cross the street now

Look both ways, direct your feet now

Wait for the green and never cheat now

Just don't forget the safety rules Hold mummy's hand each time you're walkin'

Just be alert, not too much talkin'

Then the policeman won't be blocking

You must obey the safety rules On a busy highway

Take my advice and do it my way

Please avoid the danger

Never ever talk to a stranger In a busy city

There's so much to see

Don't go willy-nilly

Here's the way to be This is the way to cross the street now

Look both ways, direct your feet now

Wait for the green and never cheat now

Just don't forget the safety rules, yeah Hold mummy's hand each time you're walkin'

Just be alert, not too much talkin'

Then the policeman won't be blocking

You must obey the safety rules When you hit the corner

Wait for mum and go and join her

Take her hand and hold it

Now you know because you've been told it Cars can't always see you

When you cross their way

So before you sail through

Remember what I say This is the way to cross the street now

Look both ways, direct your feet now

Wait for the green and never cheat now

Just don't forget the safety rules Hold mummy's hand each time you're walkin'

Just be alert, not too much talkin'

Then the policeman won't be blocking

You must obey the safety rules Sha, la, la, la, la, la, la

Sha, la, la, la, la, la, la, la

Sha, la, la, la, la, la, la, la

You must obey the safety rules Sha, la, la, la, la, la, la

Sha, la, la, la, la, la, la, la

Sha, la, la, la, la, la, la, la

You must obey the safety rulesSha, la, la, la, la, la, la
