I Got A Man (Re-Recorded / Remastered)

Positive K

Aiyyo sweetie, you're lookin kinda pretty
What's a girl like you, doin in this rough city
I'm just here, tryin to hold my own ground
Yeah, I think I like how that soundWhat you say we gets to know each other better?
That sounds good but I don't think that I can let ya
I don't know, tell me is it so
Do you get a kick, out of tellin brothers no?No it's not that see you don't understand
How should I put it, I got a man
What's your man got to do with me?
I told yaI'm not tryin to hear that see
I'm not one of those girls that go rippin around
I'm not a dog baby, so don't play me like a clown
I'll admit, I like how you kick itNow you're talkin baby, dats da ticket
Now don't get excited and chuck your own in
I already told ya, I got a man
What's your man got to do with me?I got a man
I'm not tryin to hear that see
I got a man
What's your man got to do with me?I got a man
I'm not tryin to hear that
Now you can persist to play Don Juan all day
But ain't nothin gonna changeYeah baby, sure you're right
I'ma break it down and do whatever I gots to do
I tell you know, I got eyes for you
You got eyes, but they not for meYou better use them for what they for and that's to see
You know what's the problem, ya not used to learnin
I'm Big Daddy Longstroke, and your man's Pee Wee Herman
I got a question to ask you troopAre you a chef, cause you keep feedin me soup
You know what they say about those who sweat thyself
You might find yourself, by yourself
I'm not waitin because I'm no waiterSo when I blow up, don't try to kick it to me later
All them girls must got you gassed
A-when they see a good thing they don't let it pass
Well that's OK, cause see if that's their planCause for me, I already got a man

I don't want no beef, I just wants to get together
But how you talkin, pssssh, whatevah!We can't have nothin
It all depends
Well if we can't be lovers than we can't be friends
Well then I guess it's nothingWell hey I think you're bluffing
Well I'ma call my man
Well I can get raggamuffin
Ya better catch a flashback remember I'm not crabbin itYou know my style, from I'm Not Havin It
All I remember's an excuse me miss
You can't get a guy like me with a line like this
Well look I'll treat you goodMy man treats me better
I talk sweet on the phone
My man writes love letters
I'll tell you that I want you, and tell you that I careMy man says the same except he's sincere
