

Lift the Lid

Nazareth

Here I am, sitting on my porch
Thinkin' my life has got to be beyond reproach
Have I forgot some friends so close to me
Real ones that don't use me And does my woman love me now
Like she loved me then? Here I am, my defenses are down
Will she remember me when I'm not around?
Will she still dream by me?
Or will she find a new life? Will I ever get used
To being alone at night? I'll never know
But would it do me any good if I did?
Life is a strange brew
Maybe we should not lift the lid
Lift the lid I'll never know
But would it do me any good if I did?
Life is a strange brew
Maybe we should not lift the lid
Lift the lid
