## Lift the Lid

## **Nazareth**

Here I am, sitting on my porch Thinkin' my life has got to be beyond reproach Have I forgot some friends so close to me Real ones that don't use meAnd does my woman love me now Like she loved me then? Here I am, my defenses are down Will she remember me when I'm not around? Will she still dream by me? Or will she find a new life? Will I ever get used To being alone at night?I'll never know But would it do me any good if I did? Life is a strange brew Maybe we should not lift the lid Lift the lidI'll never know But would it do me any good if I did? Life is a strange brew Maybe we should not lift the lid Lift the lid
