

# Take these chains from my heart

[Alan Garrity](#)

Take these chains from my heart and set me free  
You've grown cold and no longer care for me  
All my faith in you is gone but the heartaches linger on  
Take these chains from my heart and set me free

Take these tears from my eyes so I can see  
Just a spark of the love that used to be  
If you love somebody new, let me find somebody too  
Take these chains from my heart and set me free

Give my heart just a word of sympathy  
Be as fair to my heart as you can be  
Then if you no longer care for the love that's beating there  
Take these chains from my heart and set me free

Take these chains from my heart and set me free  
You've grown cold and no longer care for me  
All my faith in you is gone but my heartaches linger on  
Take these chains from my heart and set me free
