

# Maybe Tomorrow

## The Bar and Grill Singers

Maybe tomorrow, I'll get to your work  
But I have some projects to finish first  
My time is money, helps me pay the rent  
Listen how my money is time well-spent:

Friday I'll attend a half-day conference  
Later I'll go out for a run  
Monday morning I'll clean up my office  
I'll get it done  
Maybe tomorrow, later on this week  
I'll get to those deadlines I have to meet

Tuesday afternoon is always fleeting  
Wednesdays I play golf just for some fun  
Thursday night my bridge club has a meeting  
I'll get it done

Maybe tomorrow, or next week instead  
I have got your pleadings drafted in my head

Burnin' time, thinkin' I'm gonna find  
More time for you  
Time has got away once again for today  
But I'll get it done

Maybe tomorrow, later on this week  
I'll get to those deadlines I have to meet
