

My Miss America

Jedward

She's mine, she's mine,
She's mine, she's mine,
Oh oh oooh-oh-oh,
Hey! Hey! Hey! Hey! Can't keep their eyes off of her,
Wherever she goes,
Oh oh oooh-oh,
They've never seen a girl so beautiful,
Oh oh oooh-oh-oh, She's a show stopper, stopper,
She's a jaw dropper, dropper,
And when you sweet talk her,
You start to st-st-stutter,
She's burning hot like a fire,
From her head to her toes, 1, 2, 3, 4!
Make it jump, jump, jump,
Turn it up, up, up,
Got the crowd going craZy,
There goes my baby,
So hot, hot, hot,
I'm like what, what, what,
She's my own superstar,
She's my, she's my Miss America,
Oooh oh! Oh oooh-oh-oh,
She's my Miss America,
Oooh oh! Oh oooh-oh-oh, This girl is more than amazing,
I can't find the words, ooohhh yeah,
Sorry this girl has been taken,
Haven't you heard?
(Heard? Oooh, o-oh) She's a show stopper, stopper,
She's a jaw dropper, dropper,
And when you sweet talk her,
You start to st-st-stutter,
She's burning hot like a fire,
From her head to her toes, 1, 2, 3, 4!
Make it jump, jump, jump,
Turn it up, up, up,
Got the crowd going craZy,
There goes my baby,
So hot, hot, hot,
I'm like what, what, what,

She's my own superstar,
She's my, she's my Miss America,
Oooh oh! Oh ooh-oh-oh,
She's my, she's my Miss America,
Oooh oh! Oh ooh-oh-oh...Ain't nobody,
In this city,
Who's got that million dollar pretty,
She's got a smile,
That could light up the whole wide world, 1, 2, 3, 4!
Make it jump, jump, jump,
Turn it up, up, up,
Got the crowd going craZy,
There goes my baby,
So hot, hot, hot,
I'm like what, what, what,
She's my own superstar,
She's my, she's my Miss America...She's mine, she's mine,
She's mine, she's mine,
She's mine, she's mine,
She's my, Miss America,
She's mine, she's mine,
She's mine, she's mine,
She's mine, she's mine, Hey, hey, hey,
She's my Miss America,
She's mine, she's mine,
She's mine, she's mine, She's my Miss America
She's my Miss America.
