I Know

SHEL

I watch your life through a stain glass window
A shimmering picture show
Time and again I wish that I knew
The magic words to break throughWhat made you change your mind
What you tangle I unwind
Bluebirds will sing what's true
I know you wish you knewI know, I know
I know, I know, I know, I knowThe clock ticked away - what could I do
Life seemed so simple when I'm with you
My world is a marble placed in your pocket
Pennies and dimes to stop it
What made you change your mind
What you tangle I unwind
Bluebirds will sing what's true
I know you wish you knewI know, I know
I know, I know, I know, I know
I know, I know
I know, I know, I know, I knowA rose colored spyglass sees all around
Well, honesty is like a golden crownWhat made you change your mind
What you tangle I unwind
Bluebirds will sing what's true
I know you wish you knewWhat made you change your mind
What you tangle I unwind
Bluebirds will sing what's true
I know you wish you knew
You wish you knew - You wish you knew
You wish you knew - You wish you knewI know, I know
I know, I know, I know, I know
I know, I know
I know, I know, I know, I know
