

What A Beautiful Day

Chris Cagle

Day one
I stumbled through hello on Fifth Avenue
Day two
We grabbed a bite to eat and talked all afternoon
Caught a movie on day fourteen
And day sixty seven she said I love you to me Oh what a feeling
What a wonderful emotion
Yeah what a life
Counting my blessings and knowing
Ooh we had our ups and downs
All along the way
She had a chance to leave but chose to stay
What a beautiful day
What a beautiful day Day one sixteen
I asked her what she was doing for the rest of my life
Day one eighty nine
Oh I almost lost that girl to my foolish pride
But she said I do on day four eighty two
And gave me a son on day seven sixty one Oh what a feeling
What a wonderful emotion
Yeah what a life
Counting my blessings and knowing
Ooh we had our ups and downs
All along the way
She had a chance to leave but chose to stay
What a beautiful day Day eighteen thousand two hundred and fifty three
Well honey that's fifty years
Yeah here's to you and me Oh what a feeling
What a wonderful emotion
Yeah what a life
Counting my blessings and knowing
Ooh we had our ups and downs
All along the way
She had a chance to leave but chose to stay
What a beautiful day
What a beautiful day Day one I thank God I said hello on Fifth Avenue
