Mostly Water

Bap Kennedy

Shout all you want
It doesn't matter
Don't you know that
I am mostly water
Seventy percent
Don't worry about the rent
The rest of me is finding it harder
Why are you always realistic?
Why do you always go ballistic?
The little things go wrong
We're here and then we're gone
You go on and on
Come on, come on, come one, now
Shout all you want
It doesn't matter
Don't you know that
I am mostly water
Seventy per cent
Don't worry about the rent
The rest of me is finding it harder
This could be my last day I'm too young
There'll be thousands more just like this one
The little things go wrong
You just go on and on
We're here and then we're gone
Come on, come on, come one, now
Shout all you want
It doesn't matter
Don't you know that
I am mostly water
Shout all you want
It doesn't matter
Don't you know that
I am mostly water
