

# You Won'T See Me Cry

Wilson Phillips

I wish I had all you ever wanted  
I'd give it right to you  
But I don't have it  
How could I ever find it  
The strength to let you go?  
'Cause I don't have it when will I have it? And it goes  
And it goes on  
And it goes on You won't see me cry  
You know I decided  
That I'm gonna pull myself together  
And find a way to fight it  
I'm gonna have to hide it  
You won't see me cry  
You won't see me cry I've got no choice but to face it  
I have to let you know that I don't like it  
My love is good for someone  
And it may take some time  
But I will find him  
Why should I waste it? When I go  
When I go  
When I go on  
I will go on You won't see me cry  
You know I decided  
That I'm gonna pull myself together  
And find a way to fight it, oh no  
Even if I have to hide it  
You won't see me cry  
You won't see me cry  
You won't see me I finally decided  
And I found the way to fight it  
So you won't see me cry  
You won't see me cry
