All I Heard (Bonar Bradberry Remix)

Mitzi

The hotel and the door
The people want some more
The footsteps drag behind
I'll get you if I tryI can't stop
Knowing you will find
Make it hot
Always down the line
I wont sleep
In the middle of the night
So follow me
And only you will findWhen it comes the day
You come back to me
Before long
You will see
Its all true
Every little word
So be calm
That's all I heard
That's all I heardThe motion on the ground
The pictures all around
The others left behind
I'll find you if I tryI can't stop
Knowing you will find
Make it hot
Always down the line
I wont sleep
In the middle of the night
So follow me
And only you will findWhen it comes the day
You come back to me
Before long
You will see
Its all true
Every little word
So be calm
That's all I heard
That's all I heard
