

# Hold On My Heart

## Genesis

Hold on my heart  
Just hold on to that feeling  
We both know we've been here before  
We both know what can happen Hold on my heart  
'Cause I'm looking over your shoulder  
Ooh, please don't rush in this time  
Don't show her how you feel Hold on my heart  
Throw me a lifeline  
I'll keep a place for you  
Somewhere deep inside So hold on my heart  
Please tell her to be patient  
'Cause there has never been a time  
That I wanted something more If I can recall this feeling  
And I know there's a chance  
Oh, I will be there  
Yes, I will be there Be there for you  
Whenever you want me to  
Whenever you call, oh, I will be there  
Yes, I will be there Hold on my heart  
Don't let her see you crying  
No matter where I go  
She'll always be with me So hold on my heart  
Just hold on to that feeling  
We both know we've been here before  
We both know what can happen So hold on my heart  
Just hold on my heart  
I'm gonna hold on to that heart  
Hold on, just hold on  
Just hold on, just hold on  
Just hold on, hold on, hold on
