

# Toca's Miracle

## Fragma

If you're gonna save the day  
And you're hearin' what I say  
I feel your touch  
Your kiss, it's not enough  
And if you believe in me  
Don't think my love's not for real  
I won't take nothin' less than a deeper love

[Chorus:]

Let me tell you, you know  
Aah, I need a miracle  
I need a miracle  
It's more than physical  
What I need to feel from you  
Let me tell you, you know  
Aah, I need a miracle  
I need a miracle  
It's more than physical  
What I need to get me through

Tell me that you understand  
And you'll take me as I am  
You'll always be the one to give me everything  
Just when I thought no one cared  
You're the answer to my prayer  
You lift my spirits high  
Come on and rescue me

[Repeat Chorus x2]
