

# Boom Boom Boom

## Rare Blend

Ooh  
Oh yeah  
Every time we touch  
I can't get enough  
A feeling strong  
All in you  
I want you so much  
Baby, I confess  
I'm a total mess  
When you're around  
The only sound I hear  
Is my heart going[CHORUS:]  
Boom, boom, boom,  
Boom, boom, boom, boom  
Everybody in love knows  
The way you make my heart go  
Boom, boom, boom,  
Boom, boom, boom, boom  
It only beats this way for you Yeah yeah Something in your eyes  
Tells me that you're mine  
Can't you see  
That you and me  
Get better all the time Girl, with very kiss  
(With very kiss)  
I can promise this (ooh ooh)  
You'll always be  
The one I need  
Always make my heart go[Repeat chorus]What you do  
Make me crazy  
Crazy for you  
Boom, boom, boom  
Boom, boom, boom, boom  
Boom, boom, boom  
Boom, boom, boom, boom  
Boom, boom, boom  
(Everybody in love knows)  
Boom, boom, boom  
(Girl you make my heart go)  
Boom, boom, boom

(Everybody in love knows)  
Boom, boom, boom  
(Girl you make my heart go)[Repeat chorus thrice]Boom, boom, boom  
(That's the way  
That my heart goes)  
Everybody in love knows  
The way you make my heart go  
Boom, boom, boom  
(I'm in love and it shows)  
It only beats this way for you  
Boom, boom, boom,  
(That's the way  
That my heart goes)  
Everybody in love knows  
The way you make my heart go  
Boom, boom
