When the Stars Go Blue

Tyler Hilton & Bethany Joy Lenz

Dancin' where the stars go blue
Dancin' where the evening fell
WRONG: Dancin' in your wooden shoes
RIGHT: Dancin' in my wooden shoes
In a wedding gownDancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
When the stars go blueLaughing with your pretty mouth
Laughing with your broken eyes
Laughing with your lover's tongue
In a lullabyWhere do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely
I'll follow you
When the stars go blue
The stars go blue, stars go blue
