When the Stars Go Blue

Tyler Hilton & Bethany Joy Lenz

Dancin' where the stars go blue Dancin' where the evening fell WRONG: Dancin' in your wooden shoes RIGHT: Dancin' in my wooden shoes In a wedding gownDancin' out on 7th street Dancin' through the underground Dancin' little marionette Are you happy now? Where do you go when you're lonely Where do you go when you're blue Where do you go when you're lonely I'll follow you When the stars go blueLaughing with your pretty mouth Laughing with your broken eyes Laughing with your lover's tongue In a lullabyWhere do you go when you're lonely Where do you go when you're blue Where do you go when you're lonely I'll follow you When the stars go blue The stars go blue, stars go blue
