

Dear Dream

Ash

VERSE 1:

Every night when I go to sleep. Close my eyes and it's you I see. See you oh so vividly. All I want is you here
with me.

CHORUS:

Cause baby, you got what I need. You got what I need.

VERSE 2:

Take it all just don't take your time. 'Cause it's been quite a while since I got mine. Yes I want it, I won't lie.

Please, I promise, it's my last try.

CHORUS:

Cause baby you got what I need. You got what I need.

BRIDGE:

All I want is, all I see. And if you're not mine then why'd you come to me.

VERSE 3:

No regrets, no apologies. Love affair between you and me. But I don't care what nobody thinks. 'Cause all I
want is all I can see.

CHORUS:

And baby, you got what I need. You got what I need.

BRIDGE:

And all I want is, all I see. But if you're not mine, then why'd you come to me. 'Cause I'm your lover and
you're my dream, but if you're not mine, then why the hell'd you wanna come to me. I wish I didn't care so
much about you, but I do

I wish I didn't care so much about you, but I do
