

# Industry

## The Green Martian

My debut is coming soon  
You already know what I'm gonna do  
You got my time on the dotted line  
But you show up invited and before I sign  
And someone say I'm not making mistakes  
But please don't be fake  
My debut comes today  
And my feelings have all run away  
With the man that I am but understand  
Hey, if I don't keep going it'll just go to show  
That I've been beat by an industry I've never seen  
This is me on my knees  
Singing take it all from me, take it all  
Speak to my needs, my needs  
Oh, and take it all, oh, just take it all, this is me  
So the crowd gets quiet, I start to play  
And I think they're buying what I got to say  
But to my defiance the music fades  
And we all sit silent and I crawl back inside  
Because it wasn't supposed to go this bad  
This is me on my knees  
Singing take it all from me, take it all  
Speak to my needs, my needs  
Oh, and take it all, oh, just take it all, this is me  
And when you grow silent I start to fall  
And when you grow silent I start to fall  
And when you grow silent I start to fall  
When you grow silent I  
And when you grow silent I start to fall  
And when you grow silent I start to fall  
And when you grow silent I start to fall  
And when you grow silent, when you grow silent  
This is me on my knees  
Singing take it all from me, take it all  
Speak to my needs, my needs  
And take it all, oh, just take it all  
This is me on my knees  
Singing take it all from me, take it all  
And speak to my needs, my needs

And take it all, yeah
