

Tell Me

Milk 'n Blues

One more night alone
Sitting by the phone
I wonder if you're gonna call
Are you ever gonna call

One more glass of wine (Just one more glass of wine)
With this friend of mine (Friend of mine)
Searching for in vain
Sitting here alone again

Tell me how long (Tell me how long)
How long it's gonna last

Is it time I need
To make me feel complete
How long is it gonna last (Oooo Bop Bop Oooooo)
How long 'til it's all in the past

Tell me how long
Tell me how long
Tell me how long it's gonna last
Tell me now
Can't stand the pain
For me it's not a game
It's love
Your love is all I got
Don't take that from me

Once again I cry
Memories go by
Try to find the one to go to (?)
Yes I want a sense of hope

Nothing left to say
No more strength to play
Figure this is worth a shot (Oooo Bop Bop Oooooo)
Figure this is all I got

Tell me how long
Tell me how long

Tell me how long it's gonna last

Tell me now

Can't stand the pain

For me it's not a game

It's love

Your love is all I got

Don't take that from me

Tell me now

I can't stand the pain

It's not a game

It's love

Your love is all I got

Don't take that from me
