

You Know The Deal

Lloyd Banks

Uh, uh, yeah
Ay, I'm focused now, they notice now
Shorty to ride with me you got to hold this down
But you ain't got to worry 'cause we run this town
A n**** run up on me will get his a** g***** down
You know the deal, it's all about a dollar bill
You know the deal, it's all about a dollar bill
You know the deal, it's all about a dollar bill
You know fo'reals, the only way that I can chill
Uh, n*****z won't understand 'til they man fall
From a exit wound big as a handball
Damn y'all, can a n**** spend a mill
For a house on the hill as tall as a Ferris wheel?
N*****z better chill for the b***** peel
Knock off your head and ill, whole bunch of red'll spill
N***** I'm rollin' up, system blowin', hater's glowin' up
Frozen up, Range Rover truck color Coconut
I used to be broke as f****, 'til I woke 'em up
I'll show you how to stroke a s****, get in her throat and gut
Then it's back to postin' up, wheels pokin' out
Smoke about enough to have you gaspin' and chokin' out
I do what I wanna when I wanna ball when it's summer
Leave out the club, squeeze 'em all in the Hummer
Stitching in the seats, interior Peanut Butter
Brand new Pele Pele, N****-millimeter under
I'm focused now, they notice now
Shorty to ride with me you got to hold this down
But you ain't got to worry 'cause we run this town
A n**** run up on me will get his a** g***** down
You know the deal, it's all about a dollar bill
You know the deal, it's all about a dollar bill
You know the deal, it's all about a dollar bill
You know fo'reals, the only way that I can chill
Uh, Banks is back yeah, the punchline boy
You've got to be a millionaire to touch my toy
I figured, I'll let the haters see it one more time
I skied off zero to sixty in three point nine
Besides, I gotta make the jewelery store on time
I look like I bought the jewelery store this time

And it's hard to live like a Rap Star on the cover
 I got three M*****, the G***, Carter, Rugger
 I got a fur fetish, a three-quarter cut habit
 N**** that ain't chinchilla, it's parrot
 Part rabbit, go find your heart f****
 I prey n****z find your foot and toe tag it
 There ain't never a drought, I got the sound on tour
 So raw I gotta hotel towel on the door
 H**** all around the hotel piled to the floor
 They done followed your boss since two-thousand and four
 I'm focused now, they notice now
 Shorty to ride with me you got to hold this down
 But you ain't got to worry 'cause we run this town
 A n**** run up on me will get his a** g***** down
 You know the deal, it's all about a dollar bill
 You know the deal, it's all about a dollar bill
 You know the deal, it's all about a dollar bill
 You know fo'reals, the only way that I can chill
 From here on out it's manslaughter for the masses
 And classics courtesy of Mr. Mather's
 You bastards heard of me I get the cash
 It's the American way I go to bed with the *
 I got red, blue and white don't even ask about ice
 I look like a cop car flashin' his lights
 All they want to do is s***, chat and make tapes about him
 'Til they lost like Malcolm before the 'Nation' got him
 Out in Timberland tearing the coup
 My wrist chunky like Campbell's soup, n****z shoot
 I done been around the world and I'm right here
 You won't hurt me, I'll put your a** on ice yeah, cold turkey
 I'm blowin' Purple, the Haze mixed with Hershey
 I done gave you style, now reimburse me
 And it ain't no more love you get the 'Birdie'
 I'ma be in the number one spot 'til I'm thirty
 I'm focused now, they notice now
 Shorty to ride with me you got to hold this down
 But you ain't got to worry 'cause we run this town
 A n**** run up on me will get his a** g***** down
 You know the deal, it's all about a dollar bill
 You know the deal, it's all about a dollar bill
 You know the deal, it's all about a dollar bill
 You know fo'reals, the only way that I can chill
