

# It's So Easy

[Sheryl Crow](#)

All I want to know  
Is when you go, do you think of me?  
'Cause I could let you go but there'd be a hole  
Where my heart used to be It's so easy holding you near  
I could melt in your arms and disappear  
Loving you baby, is breaking my heart tonight  
'Cause it's so easy but it isn't right I saw you today, then you walked away  
And I couldn't breathe  
'Cause I know how it would be  
The love so real when you're touching me It's so easy holding you near  
I could melt in your arms and disappear  
Loving you baby, is breaking my heart tonight  
'Cause it's so easy but it isn't right Every night, I lay here alone  
After you leave me and go home  
But she doesn't know that we can't let go  
And it's hurting me so It's so easy holding you near  
I could melt in your arms and disappear  
Loving you baby, is breaking my heart tonight  
'Cause it's so easy but it isn't right It's so easy but it isn't right, no  
It's so easy but it isn't right  
Baby, it's so easy
