

Make It Home

Juliana Hatfield

Make It Home
(My So Called Life Soundtrack)
Hmm..mmm..mmm...
Mmm..mmm...
Mmm..mmm...
Mmm.....
Deepening night, think on a time
All was bright
Here in this dark place, I see in your face
All is not right
Make it, make your way home
Better than the last
Break it, break the alone
Take a second chance
Open a window, let in the snow
Cold is all I know
Go to the fire, stir it around
There's a warmer place for you to go
So, make it, make your way home
Better than you have
Break it, break the alone
Leave it in the past
Oh, look and you'll find it
Someone wants to love you
Look and you'll find it
Someone wants to love you
Wake it, wake your dream
One forgotten me
Sleepin' deep inside o' you
Heavenly peace
