Making Me Hate You

Unloco

Can't simplify all the things that burn inside
But when you ask, I'm fine but I'm lying all the time
It's tough to say when you laugh at me this way
But in my mind I'm crying, I'm crying all the time
So pick up the vide, make me want to justify
Every word that's coming out your mouth
No looking back, you better choose a side
I'm sinking withinYou fake, you lie
You're making me hate you
You fake, you lie
You're making me want you even moreCan't see any good side of you
But I am trying, I'm trying
I can't explain all the damage you can bring
But when I'm blind
I'm dying, I'm dying all the time
So pick up the vibe, make me wanna justify
Every word that's coming out of your mouth
No lookin back, all I wanna see
Is that you're sinkin withinYou fake, you lie
You're making me hate you
You fake, you lie
You're making me want you even moreYes I will always be
Torn by what I see
Yes I will always be the same
Even though I stop thinking of youCan't simplify all the things that burn inside
But when I try, I'm dying, I'm dying all the timeYou fake, you lie
You're making me hate you
You fake, you lie
You're making me want you even moreyou fake, you lie
You're making me hate you
You fake, you lie
