Style Is Coming Back In Style

John Pizzarelli

That pose! Those clothes!
I bet you havenâ€™t seen â€˜em for a while.
Do you suppose
Style is coming back in style?

The cane, the hat,
And right on cue, a million dollar smile;
Imagine that!
Style is coming back in style!

Itâ€™s in the air,
Itâ€™s everywhere,
And every dude is dressinâ€™ up like Fred Astaire,
So honey-child, come on,
Get dressed, put on your best,
â€˜Cause style is back in style!

Itâ€™s in the air,
Itâ€™s everywhere,
And every dude is dressinâ€™ up like Fred Astaire,
So honey-child, come on,
Get dressed, put on your best,
â€˜Cause style is back in style!
