

# I Am the Fire (Live from Chicago)

## Halestorm

Am I brave enough?  
Am I strong enough?  
To follow the desire  
That burns from within  
To push away my fear  
To stand where I'm afraid  
I am through with this  
'Cause I am more than this  
I promise to myself  
Alone and no one else  
My flame is rising higher I am the fire  
I am burning brighter  
Roaring like a storm  
And I am the one I've been waiting for  
Screaming like a siren  
Alive and burning brighter  
I am the fire I've been sacrificed  
My hearts been cauterized  
Hanging on to hope  
Shackled by the ghost  
Of what I once believed  
That I could never be  
What's right in front of me? I am the fire  
I am burning brighter  
Roaring like a storm  
And I am the one I've been waiting for  
Screaming like a siren  
Alive and burning brighter  
I am the fire I don't believe I'll fall from grace  
Won't let the past decide my fate  
Leave forgiveness in my wake  
Take the love that I've embraced I promise to myself, me and no one else  
I am more than this  
I am the fire I am the fire  
I am burning brighter  
Roaring like a storm  
And I am the one I've been waited for  
Screaming like a siren  
Alive and burning brighter

I am the fire  
I am the fire  
I am the fire  
I am the fire  
I am the fire
