I Wanna Know (feat. Rene) [Alex Hook Dub]

JazzyFunk

I'm here on my own
keep on wasting time
boy i need to know,
did you ever care
tell me now

iâ€™m done with all the lies
and though it makes me cry
I wanna hear the truth
itâ€™s time to give it up,
Was it love?

i wanna know, babe,
cause I just can't let it go
Iâ€™m moving on, baby
so Iâ€™m gonna let it flow

i wanna know, babe,
cause I just can't let it go
Iâ€™m moving on, baby
so Iâ€™m gonna let it flow
