

Just a Crush

Grace VanderWaal

You're looking at me
I'm looking at you
Is this ever gonna sort itself out?
I don't know what we will do 'Cause you're talking 'bout a marriage and a life together
No, honey, I'm not looking for anything like
What you're searching for
Ohh You're ju-ust
Ju-ust
Ju-ust
You are, you are
Just a crush
I hope you understand
What I'm telling you
I don't wanna be confusing
Consider me one of the dudes
And yes, it'd be nice
To hold hands once in a while
But you're over here
Planning like wild Yes, you're talking 'bout a marriage and a life together
No
Honey, I'm not looking for anything like
What you're searching for
Ohh You're ju-ust
Ju-ust
Oh, ju-ust
You are, you are
I'm sorry, I don't want no tears
But dude, it'd be worse if I faked you out all of these years
Sorry, I don't want no tears
So let me just say it now, perfectly clear You're ju-ust
Ju-ust
Ju-ust
You are, you are
Ju-ust
Ju-ust
Oh, ju-ust
You are, you are
Just a crush
