## Chekane

He's got a road map of Jupiter  
Radar fix on the stars all along the highway  
She's got a liquid-crystal compass  
A picture book of the rivers under the Sahara  
They travel in the time of the prophets  
On a desert highway straight to the heart of the sun  
Like lovers and heroes, and the restless part of everyone  
We're only at home when we're on the run, on the run  
He's got a star map of Hollywood  
A list of cheap motels all along the freeway  
She's got a sister out in Vegas  
The promise of a decent job far away from her hometown  
They travel on the road to redemption  
A highway out of yesterday that tomorrow will bring  
Like lovers and heroes, birds in the last days of spring  
We're only at home when we're on the wing, on the wing  
We are young, wandering the face of the earth  
Wondering what our dreams might be worth  
Learning that we're only immortal for a limited time  
We are young, wandering the face of the earth  
Wondering what our dreams might be worth  
Learning that we're only immortal for a limited time

Time is a gypsy caravan steals away in the night  
To leave you stranded in dreamland  
Distance is a long-range filter  
Memory, a flickering light left behind in the heartland  
We travel in the dark of the new moon  
A starry highway traced on the map of the sky  
Like lovers and heroes, lonely as eagle's cry  
We're only at home when we're on the fly, on the fly  
We are young, wandering the face of the earth  
Wondering what our dreams might be worth  
Learning that we're only immortal for a limited time  
We are young, wandering the face of the earth  
Wondering what our dreams might be worth  
Learning that we're only immortal for a limited time  
When we are young, wandering the face of the earth  
Wondering what our dreams might be worth

Learning that we're only immortal for a limited time  
We travel on the road to adventure  
On a desert highway, straight to the heart of the sun  
Like lovers and hereos, and the restless part of everyone  
We're only at home when we're on the run, on the run
