Copycat (Extended Version)

Lacrimosa

Come a little bit closer
And hear what I've got to say
Burning words of anger
Of hate and desperation What if I break the silence?
What if I do forgive the past?I know it might sound funny
To tell you what I felt
I mean I really loved you
It's a shame, my fault, I know
But why, but why
Why are you so stupid?
But why, but why
Why are you so stupid?Fuck you and your killing lies
I hate your pissing attitude
Why did you have to go so low
Trueler, copycatWhat if I break the silence?
What if I forgive the past?Sucking like a vampire
The blood of all your friends
But sorry, my blood was poisoned
Now burn in hellYou killed the love
You killed the trustWhat if I break the silence?
What if I forgive the past?
