

# Copycat (Extended Version)

## Lacrimosa

Come a little bit closer  
And hear what I've got to say  
Burning words of anger  
Of hate and desperation What if I break the silence?  
What if I do forgive the past? I know it might sound funny  
To tell you what I felt  
I mean I really loved you  
It's a shame, my fault, I know  
But why, but why  
Why are you so stupid?  
But why, but why  
Why are you so stupid? Fuck you and your killing lies  
I hate your pissing attitude  
Why did you have to go so low  
Trueler, copycat What if I break the silence?  
What if I forgive the past? Sucking like a vampire  
The blood of all your friends  
But sorry, my blood was poisoned  
Now burn in hell You killed the love  
You killed the trust What if I break the silence?  
What if I forgive the past?
