

# It Is Finished

## Gaither Vocal Band

In the heat of the early morning  
On a hill they call the Skull  
The roaring of the angry mob had settled to a lull  
All eyes were cast upon the man whose hands and feet were bound  
They saw him cry in anguish when they heard the hammer pound  
They watched the bloody woven thorns with  
which His head was crowned  
They watched the bloody cross of wood be dropped into the ground  
The soldiers gambled for His clothes, they watched them win and lose  
They saw the sign above His head that said "King of the Jews" (Chorus)  
(It is finished) And the sky grew black as the night  
(It is finished) And the people scattered in fright  
The work had been done, redemption had been won  
The war was over without a fight  
It is finished  
They searched His face for anger, for vengeance in His stare  
Instead of eyes that burned with hate a look of love was there  
He prayed for their forgiveness and bowed His battered head  
And no one knew the meaning of the final words He said  
The provision has been made  
The foundation has been laid  
He paid the ransom due and tore the temple veil in two  
And opened up the way for me and you  
It is finished
