

# Love Is Just a Game

Joe

Love is just a game Ooh ooh ooh ooh, yeah yeah yeah, telling you  
Ooh ooh ooh ooh, yeah yeah yeah, I'm telling you  
Ooh ooh ooh ooh, yeah yeah yeah, I'm telling you  
Ooh ooh ooh ooh, yeah yeah yeah, telling you Oh, listen babe  
Quit playing around like it's a game  
You tell me to go, you tell me to stay  
Living with you is emotional  
Roller coaster ride, like you're just gone and hide You're crossing the T's and dotting the I's  
Trying to make it work but you won't let me  
It's like you're fighting with yourself  
Baby I can tell that you really don't wanna leave Love is a game for you, I see  
But it means a lot more to me  
To ride it out when the going gets rough  
Then she closed the first real love Can't keep playing around with me  
If you really don't want me to leave  
If love is a game then I don't wanna play  
'Cos there's someone out there for me  
Love is just a game Heard you on the phone just the other day  
Talking to your girls, telling you that I'm leaving  
If you didn't mean it then why did you say it  
'Cos love, it ain't a game to me I'm packing my bags, here I go again  
Wanna kick me out, okay, well, I'm leaving  
And with those shorties came, so baby, tell me  
What's it gonna be Love is a game for you, I see  
But it means a lot more to me  
To ride it out when the going gets rough  
Then she closed the first real love Can't keep playing around with me  
If you really don't want me to leave  
If love is a game then I don't wanna play  
'Cos there's someone out there for me 'Cos I'm tired of all the fussing and the fighting  
We can't keep just going on this way  
So tired, babe and angry Keep hurting me over and over and over again  
You're making me wanna leave  
You don't understand just what you're doing to me  
Maybe we're not meant to be Love is a game for you, I see  
But it means a lot more to me  
To ride it out when the going gets rough  
Then she closed the first real love Can't keep playing around with me  
If you really don't want me to leave

If love is a game then I don't wanna play  
'Cos there's someone out there for me Love is just a game  
Love is just a game  
Love is just a game  
Love is just a game
