Hello Kalimera

Daniel Antopolsky

Hello, kalimera
Yasu, I love you
Hello, kalimera
Yasu, I love you

Embrace the boundless whisdom
Caress the guidinâ€™ light
Gather the day-sunflower
Dream peacefully at night

Just singinâ€™, hello, kalimera
Yasu, I love you
Hello, Kalimera
Yasu, I love you

Pick of the fruit tree bloominâ€™
Give thanks to Uncle Rain
Grow down the path that leads you
Sing on the Sunshine train

Just singinâ€™, hello, hello! Kalimera, oh oh
Yasu, I love you, oh oh oh!
Hello, hello, kalimera
Yasu, I love you

Colors, paintinâ€™ colors
Dance in the rainbow game
Hymns of the magic minstrel
Ride high, on the Sunshine train
Hymns of the magic minstrel
Ride high, on the Sunshine train

Everybody now
Everybody now
Hello, hello! Kalimera
Yasu, I love you, oh oh oh!

Hello, hello! Kalimera
Yasu, I love you

One more time, oh oh!
Hello, hello! Kalimera
Yasu, I love you
Yasu, I love you
