Well, All Right

Blind Faith

Well all right so I've been foolish
Well all right let people know
'Bout the dreams and wishes that you dream
In the night when lights are lowWell all right, Well all right
You know we'll live and love with all our might
Well all right, Well all right
You know our lifetime love will be all rightWell all right so I'm not working
Well all right let people say
That those foolish kids can't be ready
For the love that comes their wayWell all right, Well all right
You know we'll live and love with all our might
Well all right, Well all right
You know our lifetime love will be all right
