Forever Yours

Xandria

It feels like
keeping and holding a star in the sky
born to be born again with you
the days of thunder cry their goodbye
and for the first time I know what to do
I just keep on being one with youforever yours, forever yours
I'm here to stay
cause in your arms, in your arms
I feel so saveforever yours, forever yours
I'm here to stay
cause in your arms, in your arms
I feel so saveloving and fighting the mirror I need
dearest I'm down on the ground
waitind to see whereto the storm leads
it's my blood that bleeds from your wounds
dearest you're all that I needforever yours, forever yours
I'm here to stay
cause in your arms, in your arms
I feel so saveforever yours, forever yours
I'm here to stay
cause in your arms, in your arms
I feel so saveand when I kiss you
your lips are the onla food I need
your fingertips open
spaces that make me complete
dearest you're all that I needforever yours, forever yours
I'm here to stay
cause in your arms, in your arms
I feel so saveforever yours, forever yours
I'm here to stay
cause in your arms, in your arms
I feel so saveforeverloving - fighting
