Wanted Dead or Alive

Warren Zevon

I am wanted dead or alive
I'm wanted everywhere, I've got to survive
They say I am a violent man
Only trying to do the best I can, dig itI am wanted dead or alive
Fifteen states I've got to survive
I am wanted dead or alive
I'm a new kind of man, I've got to surviveRunning a long wayI am wanted dead or alive
I'm wanted everywhere, I've got to survive
Now all I'm trying to do is find a peaceful place
But they say I have an outlaw faceMy Lord, I have an outlaw's face
I have an outlaw's face
They say I have an outlaw's face
Oh my, my, my, I have an outlaw's face
I have an outlaw's face
I have an outlaw's face
