

Wanted Dead or Alive

Warren Zevon

I am wanted dead or alive
I'm wanted everywhere, I've got to survive
They say I am a violent man
Only trying to do the best I can, dig it I am wanted dead or alive
Fifteen states I've got to survive
I am wanted dead or alive
I'm a new kind of man, I've got to survive Running a long way I am wanted dead or alive
I'm wanted everywhere, I've got to survive
Now all I'm trying to do is find a peaceful place
But they say I have an outlaw face My Lord, I have an outlaw's face
I have an outlaw's face
They say I have an outlaw's face
Oh my, my, my, I have an outlaw's face
I have an outlaw's face
I have an outlaw's face
