

# Join the Scene

## Raunchy

50 fags, Jim Beam, two wizards and me sitting in the street  
A beat up bird with dragon blood sees me and joins the scene  
So many pretty girls all over the  
world  
Copenhagen, London town,  
New York City and Amsterdam  
I've got love for you all  
The little ones the fat ones and the tall  
All my life, every Saturday night  
50 fags Jameson two wizards and I on the floor tonight  
Twelve feet tall women gasping for heat, I better put up a fight  
So many pretty girls all over the  
world  
Copenhagen, London town,  
New York City and Amsterdam  
I've got love for you all  
The little ones the fat ones and the tall  
All my life, every Saturday night
