All Night Long

Rainbow

You're walking up with your eyes on me
It's looking good but I just don't know
I need a girl who can keep her head
All Night Long
You didn't come just to see the show
I guess you know what you want to see
The way you smile lets me know I can't go wrongI want to touch you
I want to feel you
I want to make you mineI want to love you (all night long)
I want to be with you (all night long)
I want to love you (all night long)
I want to be with you (all night long)I saw you standing down by the stage
Your Black stockings and your see through dress
Your mouth is open but I don't want to hear ya
Say good nightYou're sorta young
But you're over age
I don't care cause I like your style
Don't know about your brain
But you look alrightI want to touch you
I want to feel you
I want to make you mineI want to love you (all night long)
I want to be with you (all night long)
I want to love you (all night long)
I want to be with you (all night long)Your mind is dirty
But your hands are clean
You show the class
But you're left alone
I know I can't stand another night
(on my own)
Hey girl would you like some wine
What's your name?
Are you by yourself?
Are you the one?
But you say can I take you homeI want to touch you
I want to feel you
I want to make you mineI want to love you (all night long)
I want to be with you (all night long)
I want to love you (all night long)
I want to be with you (all night long)I want to love you (all night long)

I want to be with you (all night long)
I want to love you (all night long)
I want to be with you (all night long)
