

Drugstore Rock 'n' Roll

[Janis Martin](#)

Rock-bop-jump-thump, rock 'n' roll
Drugstore's rockin', rock-rock
Couples are boppin', bop-bop
Jukebox jumpin', jump-jump
Feet keep thumpin', thump-thump
Drugstore's real gone man
Rock-bop-jump-thump, rock 'n' rollDrugstore on the corner of main
That's where you find all the be-bop gang
The girls fill the jukebox and then demand
The jitterbug hand-in-hand
The boys have crew-cuts under their hats
The girls have leather sweaters, real cool cats
They're always together happy an' hep
Jumpin' to a rock 'n' roll step
Drugstore's rockin', rock-rock
Couples are boppin', bop-bop
Jukebox jumpin', jump-jump
Feet keep thumpin', thump-thump
Drugstore's real gone man
Rock-bop-jump-thump, rock 'n' rollDrugstore's rockin', rock-rock
Couples are boppin', bop-bop
Jukebox jumpin', jump-jump
Feet keep thumpin', thump-thump
Drugstore's real gone man
Rock-bop-jump-thump, rock 'n' roll
The records have a slow beat, a fast beat too
As long as they're rockin' any beat will do
Kittens gettin' groovy all over the floor
And the cats are cryin' for more
Take time out for a soda pop
Dig a new record with a lot of bop
Ice cream cones and banana split
Ten jumps ahead of a fitDrugstore's rockin', rock-rock
Couples are boppin', bop-bop
Jukebox jumpin', jump-jump
Feet keep thumpin', thump-thump
Drugstore's real gone man
Rock-bop-jump-thump, rock 'n' roll
