

If That's What It Takes

[J.K. Coltrain](#)

If That's What It Takes
If that's what it takes to make you happy
If that's what it takes to make you smile
If you want I'll play the fool again
Anything to make you stay a while Verse 1
Well I know that you've been using me
I've done it myself in the past
But still I keep holdin' on
To a love that just can't last REPEAT CHORUS Verse 2
Here goes that silly game again
You know I've seen it all before
And the object is for me to beg
You not to walk out that door REPEAT CHORUS 1986 J. K. Coltrain
