

# Special Kind

## Ji Nilsson

I'm a blue lagoon  
I'm a great monsoon  
I'm a silver moon  
Keep your eyes wide open  
They say I'm a girl  
But I'm a whole new world  
I'm a shining pearl  
Keep your eyes wide open  
I'm your sweetest dream  
I'm that peach and cream  
Swim against the stream  
Baby I'm unbroken  
I'm a clear blue sky  
I'm your all time high  
I'm your ride or die  
You're my chosen  
But I'm  
Not a special kind  
It's so easy  
I just want you to love me  
Let them roll their eyes  
Let them tell their lies  
Let them watch me smize  
Keeping it together  
Only you can tell  
You know me so well  
I'll be in my shell  
Keeping it together  
But I'm  
Not a special kind (I'm not that special baby)  
It's so easy  
I just want you to love me  
Do you think I look good  
Do you think I'm smart  
My mind, body  
baby I'm a work of art  
Do you think I look good  
Do you think I'm smart  
Baby all I really want is your heart

Don't you know how I feel  
Don't you understand  
You're the only one who truly knows who I am  
Baby you'll be my light and I'll be your blue  
Don't you know I am nothing without you  
I just want you to love me
