I'd Never Find Another You

Billy Fury

I'd never find another you
Don't ever worry that I'll leave you
That's such a foolish thing to do
How could I ever go
When in my heart I know
I'd never find another you
I might find other arms to hold me
But they would only leave me blue
The thrill of your embrace
Is what I can't replace
I'd never find another you

BRIDGE:

Though there are times when we may quarrel
I can't stay mad at you for more
Than just a minute or two, now
I know I'd never want to leave you
Cause if I searched my whole life through
I know there'd only be
A second best for me
I'd never find another you

I know I'd never want to leave you
Cause if I searched my whole life through
I know there'd only be
A second best for me
I'd never find another you
I'd never find another.....you
