

Fight

Motörhead

Midnight, midnight,
Midnight beat the drum,
Black night, black night,
Black night, cut and run,
Slaughter, slaughter,
Slaughter, flee your bed,
Quarter, no quarter,
No quarter, don't lose your head,

Fighting in the west,
Fighting in the east,
Fighting like a beast,
You must stand and fight,

Fight, fight, fight,
Fight, make it right,
Fight, fight,

Fighting, fighting,
Fighting, for your life,
Riding, riding,
Riding, endless nights,
Laughing, laughing,
Laughing, to our death,
Laughing, laughing,
Laughing, to our final breath,

Fighting in the west,
Fighting in the east,
What a bloody mess,
You will stand and fight,

Fight, fight, fight,
Fight, make it right,
Fight, fight,

Reaver, reaver,
Reaver, riding fast,
Believer, believer,
Believer, loyal to the last,

Faithful, faithful,
Faithful, to our creed,
Soldier, till it's over,
Till it's over, everything we need,

Fighting to the last,
Fighting to the death,
Your last dying breath,
You must stand and fight,

Fight, fight, fight,
Fight, make it right,
Fight, fight,
Fight, stand and fight,
Stand and fight, stand and fight,
Make it right, stand and fight,
You must fight, fight,
You motherfucker
