Emperor's New Clothes

Poison

Now that you've been bought and sold
You don't have time to fix the mess you're in
And if I may be so bold
I bet you couldn't even do it againLying like this yesterday's paper
Just outside the doorNow you need me to clean your shoes
Walk on water, be in the mood
Everybody's talking but nobody knows
Where did the emperor get them new clothes?I always did look up to you
Tried to copy everything that you did
Until you broke my heart in two
You shot me up then you flipped your lidLying like this yesterday's paper
Just outside the doorNow you need me to clean your shoes
Walk on water, be in the mood
Everybody's talking but nobody knows
Where did the emperor get them new clothes?Now you need me to clean your shoes
Walk on water, be in the mood
Everybody's talking but nobody knows
Where did the emperor get them new clothes?Now you need me to clean your shoes
Walk on water, be in the mood
Everybody's talking but nobody knows
Where did the emperor get them new clothes?
