You Had Me at Hello

A Day to Remember

I'm missing you so much, I'll see you die tonight
Just so I can get to you before the sun will rise
I know the signs are on and I feel this too
None of that ever seems to matter when I'm holding youAnd I'm wasting away, away from youWhat have I gotten into this time around
I know that I had sworn I'd never trust anyone again but I didn't have toYou had me at helloI've never seen a smile that can light the room like yours
It's simply radiant, I feel more with everyday that goes by
I watch the clock so I can make my timing just rightWould it be okay?
Would it be okay if I took your breath away?And I'm wasting away, away from youWhat have I gotten into this time around
I know that I had sworn I'd never trust anyone again but I didn't have toYou had me at helloYou gave me butterflies at the mailbox, you had me at hello
