Another World

Royal Headache

Well for such a small wonder
See how far we've been heard
Still you'll never find me
In their idiots worldPainted in my corner
And there I perished all night
No you'll never track me
Into your endless plight
You ate my face
To take my place
So you can shine in another world
Its in poor taste, you're off your case
Yeah!
You see I want it, I want it, I want it
I want it so bad
But when I try to put my hand up
Each time I feel I've been hadYou ate my face to take my place
so you can shine in another world
Its in poor taste your off your case
La-la-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la
Cause you condescend
When I need a friend
It makes me want to fly to another world
To another world
Cause you hate my face
But you want my place
I know you wanna die in another world
But there's no another world
Yeah!
Another world
