

# This Sun King Loves You More

## Mercutio

Ooh this sun king loves you more  
This sun king loves you more  
Your alabaster on my armoire  
Sanguine tears flow from my heart  
'Cause this sun king loves you more  
Ooh god damn

Ooh this sun king loves you more  
In the rum spring love is yours  
My photograph on your boudoir  
Memories beneath the sycamore  
'Cause this sun king loves you more  
Ooh god damn

Saturday stroll down the Champs-Elysees  
Picnicing down by the Seine

Ooh this sun king loves you more  
With one ring my paramore  
Languid tones from my guitar  
Parasols line the boulevard  
'Cause this sun king loves you more  
Ooh god damn
