

# Voices in My Head

## Naked Eyes

I don't know why I'm feeling lost  
It's only love  
I give you everything I've got  
It's not enough Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing Voices in my head  
Telling me beware  
Voices in my head  
Everywhere Whenever we're together  
It breaks my heart  
I've got a fantasy, of which  
You are a part Shutting my eyes I find  
Opening up my mind  
What is this sound I'm hearing Voices in my head  
Telling me beware  
Voices in my head  
Everywhere
